## About Kwa Maritane

- Kwa Maritane offers luxury and great value, and is set in pristine African bush.
- Located in the unique Pilanesberg Game Reserve, offering the big 5 and other unique biodiversity.
- Just 2 hours from Johannesburg and Malaria free
- 10- minute shuttle from Sun City, a world class resort offering a wide range of entertainment from shows and casinos to paragliding and golf.
- Close to Lanseria airport, offering convenient, quality air travel with low cost airlines to other parts of South Africa
- The Pilanesberg is situated where the dryness of the Kalahari desert ends and the precipitous tropical Lowveld begins, creating a unique cross-over habitat. As such, you will get to see *both* species that are found in the wetter north *and* the drier south: a wider range of plant and animal life than in most other reserves.
