Statement: In 2008 I joined the CII and soon realized how great this “family” is. As a Board Member from 2016—2020 I also learned how special it is to work on the Board as a member and officer. Now I have the honor to be nominated for President. When given the chance to lead the CII, as President, I will do the utmost to guide us all through these turbulent times. Those who know me, know, I have always survived by being positive and never leaving my colleagues’ sides. That will be my goal again for 2020-2021. Stay safe and healthy.

Sachit Kumar, CII
Globe Detective Agency, Ltd.
India

Years a CII member: 12

Years in business: 33

Nominators: Pawan Ahluwalia, Yosh Wong, Dave MacLeod, Alice Campbell, Vivek Kumar

Statement: I have been a member of the CII since 2008 and have served as its President twice before. With over thirty three years in the security & investigations sector in a company that has been the pioneer and leader in India since 1961, I believe passionately in this industry, the CII and its tremendous worth to the distinguished members. In these recent months, as the world remained confined and locked down in an unprecedented way, I felt, more than ever, the resilience and fortitude that being a member of the CII brings. As President, I drew on my experiences to provide the leadership that was called for during the challenging period of prolonged "work-from-home". I hope, with absolute commitment and dedication, to catalyze CII members to remain ever strong and focused to achieve our common goals. I am confident that if my fellow members want me to, I would continue to strategically position the CII to achieve greater heights and realise our common vision, mission and objectives, thereby continuing to add value to the CII. If I am given this responsibility, it would be an honour to serve the CII once again!
